

The role of the VP Community

Mojahar Ali

Vice-President Community Development

[Business Law & Psychology]

Hi everyone! I am Mojahar Ali your new Vice-President of Business Law and Physiology [Community Development Officer]. I've finished my degree in Law in 2016 and was your Welfare Officer for the academic year 2016/17, now I am so excited to work in the Students' Union as a Community Development Officer on a variety of projects for the academic year 2017/18.

Areas of work:

As a Vice-President for Community Development I am responsible for co-ordinating to support and advise students on issues affecting their personal and academic development, within the school of Business, Law & Psychology. I regularly meet and liaise with university staff to make sure that the students' voice is heard. I work very closely together with the Careers and Students Employability Team to make sure that our students get more volunteering, internship and employment opportunities. I represent the needs of our students to the various departments which include: the Smart Team, Students' Union Advice Services and Facilities Services to make sure student's wellbeing and safety is protected by university. I also work closely together with students' reps and other full-time/part-time officers to identify and address issues students are facing on campus. Representing students' opinion and feedback on related university committees concerned with students' safety, wellbeing and experience is also part of my job.

Top Tips for the students!

Be polite, humble and respectful to others and make your ambition high!!

Contact:

Please don't hesitate to contact me in any matter if you want me to represent you or if you think we should try to do something for the interest of the students at our university.
