

VICE-PRESIDENT (SOCIAL SCIENCES & ACE)

AYAAN CABDI **(United We Stand)** **1598 votes**

My name is Ayaan Cabdi and I am running for the position of Vice President for ACE & Social sciences with the team United We Stand.

United We Stand is a team of 16 amazing candidates from across the world, who United aim to:

1. Bring back a vibrant, transparent and accountable Students' Union where students are aware of what's going on.

2. Introduce free printing for all students.
3. Bring back Boat Parties and Fiction nights, enriching our nightlife events.
4. An improved social life on campus with better spaces and options for socialising, eating, relaxing, and praying for all religions.
5. Getting things done for students through our democratic processes and committees.

If elected as your VP ACE & Social sciences Officer I pledge to:

- Increase lab sessions
- University to pay for field trips
- Improve student and school relationships
- Reinforce student complaints and suggestions
- Great transparency across departments to students
- Recorded video of lectures available
- Ensure that the societies points system remains in place since it acknowledges and rewards societies for their hard work as well as enabling them to carry out more activities to enhance our students experience.

During the academic year 2016/17 I had the honour to be elected and serve as you Black Students' officer. I proudly led the events of Black History Month despite the many barriers I had to face. In a year where I expected Liberation to be at the forefront of the Union, Liberation and part time officers were neglected by the current Executive.

We ought to put an end to this, support Liberation and their elected representatives and make it our Union Priority.

There's one solution:
