

VICE-PRESIDENT (EDUCATION & HSB)

SWASTI RASTOGI (United We Stand) 1674 votes

My name is Swasti Rastogi and I am running for the position of Vice-President HSB & Cass School of Education with the team United We Stand. United We Stand is a team of 16 amazing candidates from across the world, who united aim to:

1. Bring back a vibrant, transparent and accountable Students' Union where students are

aware of what's going on.

2. Introduce free printing for all students.
3. Bring back Boat Parties and Fiction nights, enriching our nightlife events.
4. An improved social life on campus with better spaces and options for socialising, eating, relaxing, and praying for all religions.
5. Getting things done for students through our democratic processes and committees.

If elected as your Vice-President for HSB & Cass School of Education Officer I pledge to:

- Ensure productive use of space on campus by promoting their existence, functionality but also by empowering students to lead their own events in them.
- Work with the two schools to identify student leaders to set up new Academic Societies.
- Work on lobbying the university to build a common room for students in each east building accommodation halls.
- Securing Multi-Faith facilities for students of all religions on our sites.
- Ensuring that societies rewarding points system remains in place empowering them to do amazing stuff.
- Identifying more scholarship and internship opportunities.

With Education facing turbulent times as well as the NHS, our students need a Vice President that will be up to date with all the changes happening, but most importantly make students voice too strong to ignore.

Let's do that, United.
