R	Repeat current level or, if part-time, all modules taken previously	
FN?	Fail decision recommended to board	Becomes FN once agreed by the board Cannot continue on course
ADM	Defer progression decision – Resit available	
ADR	Exceptional third assessment opportunity to be taken before the new academic year starts	New Academic Framework assessment only decisions where extenuation has been granted at resit
AB	No decision can be made, under investigation for Academic Misconduct	Where a Breach is pending
AC	Progression decision deferred – missing result	Where a result is pending e.g. Placement
NA	Course completed, generate award	Student to be Awarded
NAC	Eligible for Award through Compensation	
NQ	Completed (Socrates etc.)	To close records where student has completed what they entered to do but no award is conferred e.g. Study Abroad, Socrates.
NO	End of programme – no eligible award	To close records where there are insufficient credits to be eligible for any intended award or exit award

AB and AC codes are holding codes which mean that a progression decision could not be made because results are incomplete. It is vital that the missing result or the misconduct allegation is resolved promptly to ensure that the student can re-enrol smoothly and to avoid the need for Chair's Action.
